ABOUT US

At the Bar Performance Training, we are dedicated to helping our clients reach their fitness goals. Our experienced team of trainers offers customized boot camps, individual and group training sessions, and nutrition advice to ensure that our clients reach their full potential. We also provide janitorial services for both commercial and residential properties, with a team of highly skilled professionals who can handle any cleaning job. In addition, we offer roofing services, HVAC services, hauling, and electrical services. Our commitment to excellence and customer satisfaction makes us the perfect choice for all your fitness and janitorial needs.
